Dessert Pears in red wine
Water, bread and wine

Cía. La Líquida and David García-Intriago come back with an entertaining and surprising multidisciplinary proposal of theatre, music and gastronomy based on *Don Quixote*, the “hungriest” of novels.
Humour, because laughter is food for the soul, in a peculiar proposal that is also a tribute to the travelling jesters of the Golden Age, who provided entertainment during meals in patios and at popular outdoor theatres.
