The Supernova spaceship has landed on our planet with a very "alien" crew ready to conquer Earth and your hearts. A group full of solar energy and stellar rhythm that will dazzle us with the best songs of rtge 80s.
Earthlings and intergalactic beings from all over the Milky Way. Buckle the seat belts of your space rockets, get your astronaut suits ready because the best present-day show is about to take off – *Got Pop!!!*
Francis Zabrilla, a multi-talented artist from Albecete –clown, storyteller, ventriloquist, magician– is back with a sole objective: to transmit his energy, art, joy and enthusiasm. All his projects are marked by technical and artistic quality, rigour and effectiveness.
