Two magicians and a clown present a new manner for performing magic for the young and the old. The story unfolds at a gala of dramatised magic: classic circus, comedy, music and magic come together in a play that will delight the whole family. Theatre? A circus show? Magic? A play for childen? For this company from Extremadura, passion is an intrinsic part of their art, and work entails the satisfaction of an objective achieved. Their commitment, vocation, daily work and all the persons that surround the world of culture.
