L’AVENIR. Homenaje a Alexandre Lacaze

Closing concert MaF 2022

[Tribute to Alexandre Lacaze]

Tribute to Malaga-born musician Alexandre Lacaze, one of the artists most closely linked to MaF since its inception. Local and national artists, such as Esplendor, Gastmans and Briatore, among others, will pass through the stage of the Echegaray Theater to make versions of the musician from Malaga in order to value one of the most avant-garde musical trajectories of national pop. Lacaze died in 2019, at the age of 43, due to leukemia.
