Based on the well-known children's song, the marriage of the flea and the louse is about to take place. The preparations and rehearsals are very important, to make sure that everyone has a very good time during the celebration. There is going to be a great party…but all of a sudden something unexpectedly happens.
Founded in Jerez in 1981, La Gotera de Lazotea has a repertoire of 27 shows, with which it has obtained the award for Best Puppet Show (*Garbancito en la barriga del buey*) and for Best Female Performance (*La gallina churra*) at different editions of FETEN.
