“A sofa that is a train, a rug that is a mirror, lamps made of poppies…and you and me. The clothes you’re wearing, where you come from, or your name…none of that matters. In childhood labels don’t count. A marvellous world appears before our eyes when all we need is our imagination and a friend with whom to share our dreams. Enter our show and enjoy yourself- does your name matter? The identity of each girl and boy matures along the way and his or her name is only the point of departure. Let’s play that we are something else-whatever you want; it’s lots of fun …” Da.Te Danza

For more than 23 years, DA.TE Danza has been creating, producing and performing contemporary dance, dance-theatre and object theatre shows geared at children, adolescents and families. It is one of the Andalusia’s most consolidated and long-standing dance companies, with a stable and rigorous structure.
