When you go on a different trip, you never know what you are going to find. Never! The only thing that you are sure of is that the wind will continue to blow you forward, the sun will illuminate your steps and water will refresh your thoughts. And the soil? The soil will always be under your feet. Always? No. There is soil that we always take with us, our land, full of seeds: dreams that we want to come true. From the union of the sun, water, air and soil the seeds grow and turn into a mass that comes to life and dreams that it learns to walk on the land, to swim in the sea of life, to fly with the wings of its dreams and to shine with everything it has achieved. Bread is life, life is bread.
Teatro PLUS was founded in 1997 in Sophia, Bulgaria and is established in Spain since 2001. They have premiered a dozen shows, and participated in puppeteer festivals in Russia, Turkey, Iran, China, Belgium and Serbia.
