The cost of tickets sold on-line and by telephone has been automatically repaid to the account from which payment was made. Tribute to the thirty years of Víctor Ullate's company with extracts of the most emblematic choreographies of his repertoire – *Seguiriya*, *Tras el espejo*, *Samsara*, *Voilà c'est ça*, *Tres*, *Coppélia*, *Burka*, *Wonderland*, *Carmen...* –, that have been danced by prominent first dancers that have emerged from his troupe and on occasion created ad hoc for them.

A celebration of the company's thirty years of existence and a celebration of dance.

Víctor Ullate, international dance star, founded his company in 1988. He is the company's director, with Eduardo Lao as Artistic Director since 2001. The talent and efforts of both artists are key for the continuity and success of this exceptional company.
