A performance of musical theatre in which beautiful, well-known romances, duets, trios and preludes gracefully alternate with texts of the most popular zarzuelas: *La del manojo de rosas*, *Doña Francisquita*, *El barbero de Sevilla*, *La leyenda del beso*, *La del soto del parral*, *La tabernera del puerto*, *La Revoltosa*, *Don Gil de Alcalá*, *Katiuska* , *Los sobrinos del capitán Grant*... We will stroll through the most traditional zarzuelas whose origins are in Madrid, passing by others open to the rest of Spain, finally accompanying zarzuela on its journey around the world.
