**La boda de Luis Alonso**
[The Wedding of Luis Alonso]
The merger of two works with a curious history. Such was the success of *El baile de Luis Alonso* that the librettist and the composer decided to write *La boda*, set some time before *El baile*. Although Luis Alonso was already married in *El baile*, in *La boda* he is in his 50s and is about to marry María Jesús, a beautiful young woman who is much younger than him. In both pieces, the story of the main character, a dance-master, and his vicissitudes are the best excuse to produce a brilliant and colourful tribute to Cádiz, its atmosphere, songs, types of characters and Carnival…
Gerónimo Giménez, a skilful and talented composer, wrote novel, spontaneous and very personal music. Both zarzuelas are part of popular memory, in particular due to their interludes.

**Antología de la zarzuela**
[Andalusian Anthology of Zarzuela]
*Antología andaluza de la zarzuela* is a selection of brilliant musical passages of zarzuelas with Andalusian themes, as a sort of "grand finale", and includes works by

famous composers such as Manuel Penella, Fernández Caballero, Manuel Nieto and Gerónimo Giménez.
