Eskorzo has dressed up this year to present *A fuego suave*, its most exclusive show. Following their international tour with *Alerta caníbal*, the band started planning something special and different to celebrate its career of 25 years. For the last few months the Nasrid septet has been working to deconstruct every song of its repertoire and reconstruct it staging. The result is an exquisite musical and visual artistic proposal. In *A fuego suave* their most famous songs are performed at lower revolutions with a different sound perspective and Afro-Cuban, border rock, funk-jazz, samba, Afrobeat, and cumbia rhythms.

TEATRO CERVANTES | ECHEGARAY DE MÁLAGA

A fuego suave is an immersive and conceptual show, with great attention paid to every single detail: Eskorzo as we have never seen them before.
