HISTORIAS DOBLES

[Double Stories]

La Ballesteria Producciones

Based on the play *O*, by Alejandro Pedregosa
Adaptation Andrea Chacon Alvarez and Manuel Salas
With Manuel Salas, Carlos Bahos and Cristobal Soria
Stage direction Andrea Chacon

0.50 min (w/out intermission)

A mosaic of short stories taken from the book *O*, by Alejandro Pedregosa, winner of the 24th Andalusian Critics Award. The staging requires minimal use of resources in order to highlight the author's extreme poetic synthesis. With the objective of recovering the custom of story-telling, space, sound and images are used to create the appropriate intimate atmosphere. A boy looking for asparagus, women with dazzling breasts, poppies, communions, strangers and nights of emaciated orange trees make us wonder what would happen if we gave our traditional stories another turn of the screw?.
