The Little Mouse was complaining about her boring life, full of monotony. Little did she know that a ribbon on her tail would stir her day up so much. A procession of beaus appears, each one trying to seduce her in order to marry her. “Little mouse, you who are so arrogant, do you want to marry me?” A timeless fairy tale to enjoy with the whole family.
Festuc Teatre was founded in 2003 in Lleida, with the objective of converting a passion into a way of life. Its main objective is that the audience enjoy its shows, reflecting on the different values transmitted and absorbing the torrent of emotions present in each performance.
