50 min (w/out intermission). Live music and audiovisuals. For all ages

www.carlosbianchini.es

What is a composer's creative process? What stories does music tell? What is the relationship between music and colours? These questions, and many others, are answered by the pianist and composer Carlos Bianchini in the course of this educational concert, accompanied by audio-visuals.

The Carlos Bianchini's multifaceted career bears witness to his firm belief regarding the power of music for humanity. Whether through the process of composing new pieces, or collaborating in original pedagogical projects, or participating in new musical formations, Carlos Bianchini's efforts seek to foment connections that stimulate our imagination and enhance our qualities as human beings.
