DANZA A ESCENA 2020

MiraMiró stems from the universe of the great artist Joan Miró with a selection of his graphic works.

His lively colours, geometric forms, figures and characters stimulate fantasy, making us believe that everything is possible. As if by magic, the paintings come to life and transport us to a cosmos-universe full of surprises.

MiraMiró wants to help change the world, encouraging children's fantasy and curiosity and promoting values such as friendship and the acceptance of differences.

Baal is a contemporary dance company created in Mallorca by Catalina Carrasco and Gaspar Morey. "We detach ourselves from conventionalisms to articulate our own language, exploration of the body with its desires, thoughts and emotions. Always looking for ways to establish new dialogues with the public and with technology."
