Possible love in impossible situations.

"*La ternura* is a comedy of romance and adventures in which I try to tell spectators that we cannot protect ourselves from the pain caused by love. That if we want to love we have to risk suffering. Just like parents cannot protect their children from the suffering of life, as that would impede living life to its fullest. (...) Tenderness is the manner in which love is expressed. Tenderness comprises caresses, listening, small gestures, smiles, kisses, waiting, respect, gentleness. *La ternura* is dedicated to all persons in search of tenderness." Alfredo Sanzol
