Nuevo Teatro Musical is coming for the fifth year in a row to the Malaga Theatre Festival to present a new chapter of the saga 'Desmontando musicales'. On this occasion the company from Malaga proposes a voyage to the universe of the great flops of the history of Broadway. A humorous and relaxed journey in which four actors and a pianist take us, with live music and singing, through the most hilarious anecdotes and the most famous songs of Broadway's greatest "flops", without any tricks and using their own theatrical language.
