Director Angel Calvente

1.10 h (w/out intermission)

www.srcorrecto.es

Ignacio Jurado Martinez is a Mexican waiter who serves coffee to Spanish Civil War refugees and other Spaniards living in Mexico before 1936. Half and half? In the meantime, he listens in awe to their endless discussions in between violent calls for the "waiter", protests and shouts. There was one thing they all agreed about: to only speak of the past. Ignacio spurns them simply because of their screaming, half and half? That's enough!
