Flashdance tells the inspiring story of Alex Owens, a young eighteen year old woman who dreams of attending the prestigious Shipley Dance Academy in Pittsburg to become a professional ballet dancer. With that objective, she works in a factory as a welder during the day and she dances in a club at night. A romance with her boss will threaten her dream, but Alex will finally show that nothing can prevent her from making it come true.

The musical, which is based on the iconic film produced by Paramount Pictures and one of the highest grossing of the 80's, recovers its hugely famous hits (winner of a Grammy for Best Original Sound Track) and spectacular choreographies. The cast comprises 25 artists, including actors, singers, dancers and musicians.
